 Monte Dolack

**MONTE
DOLACK**

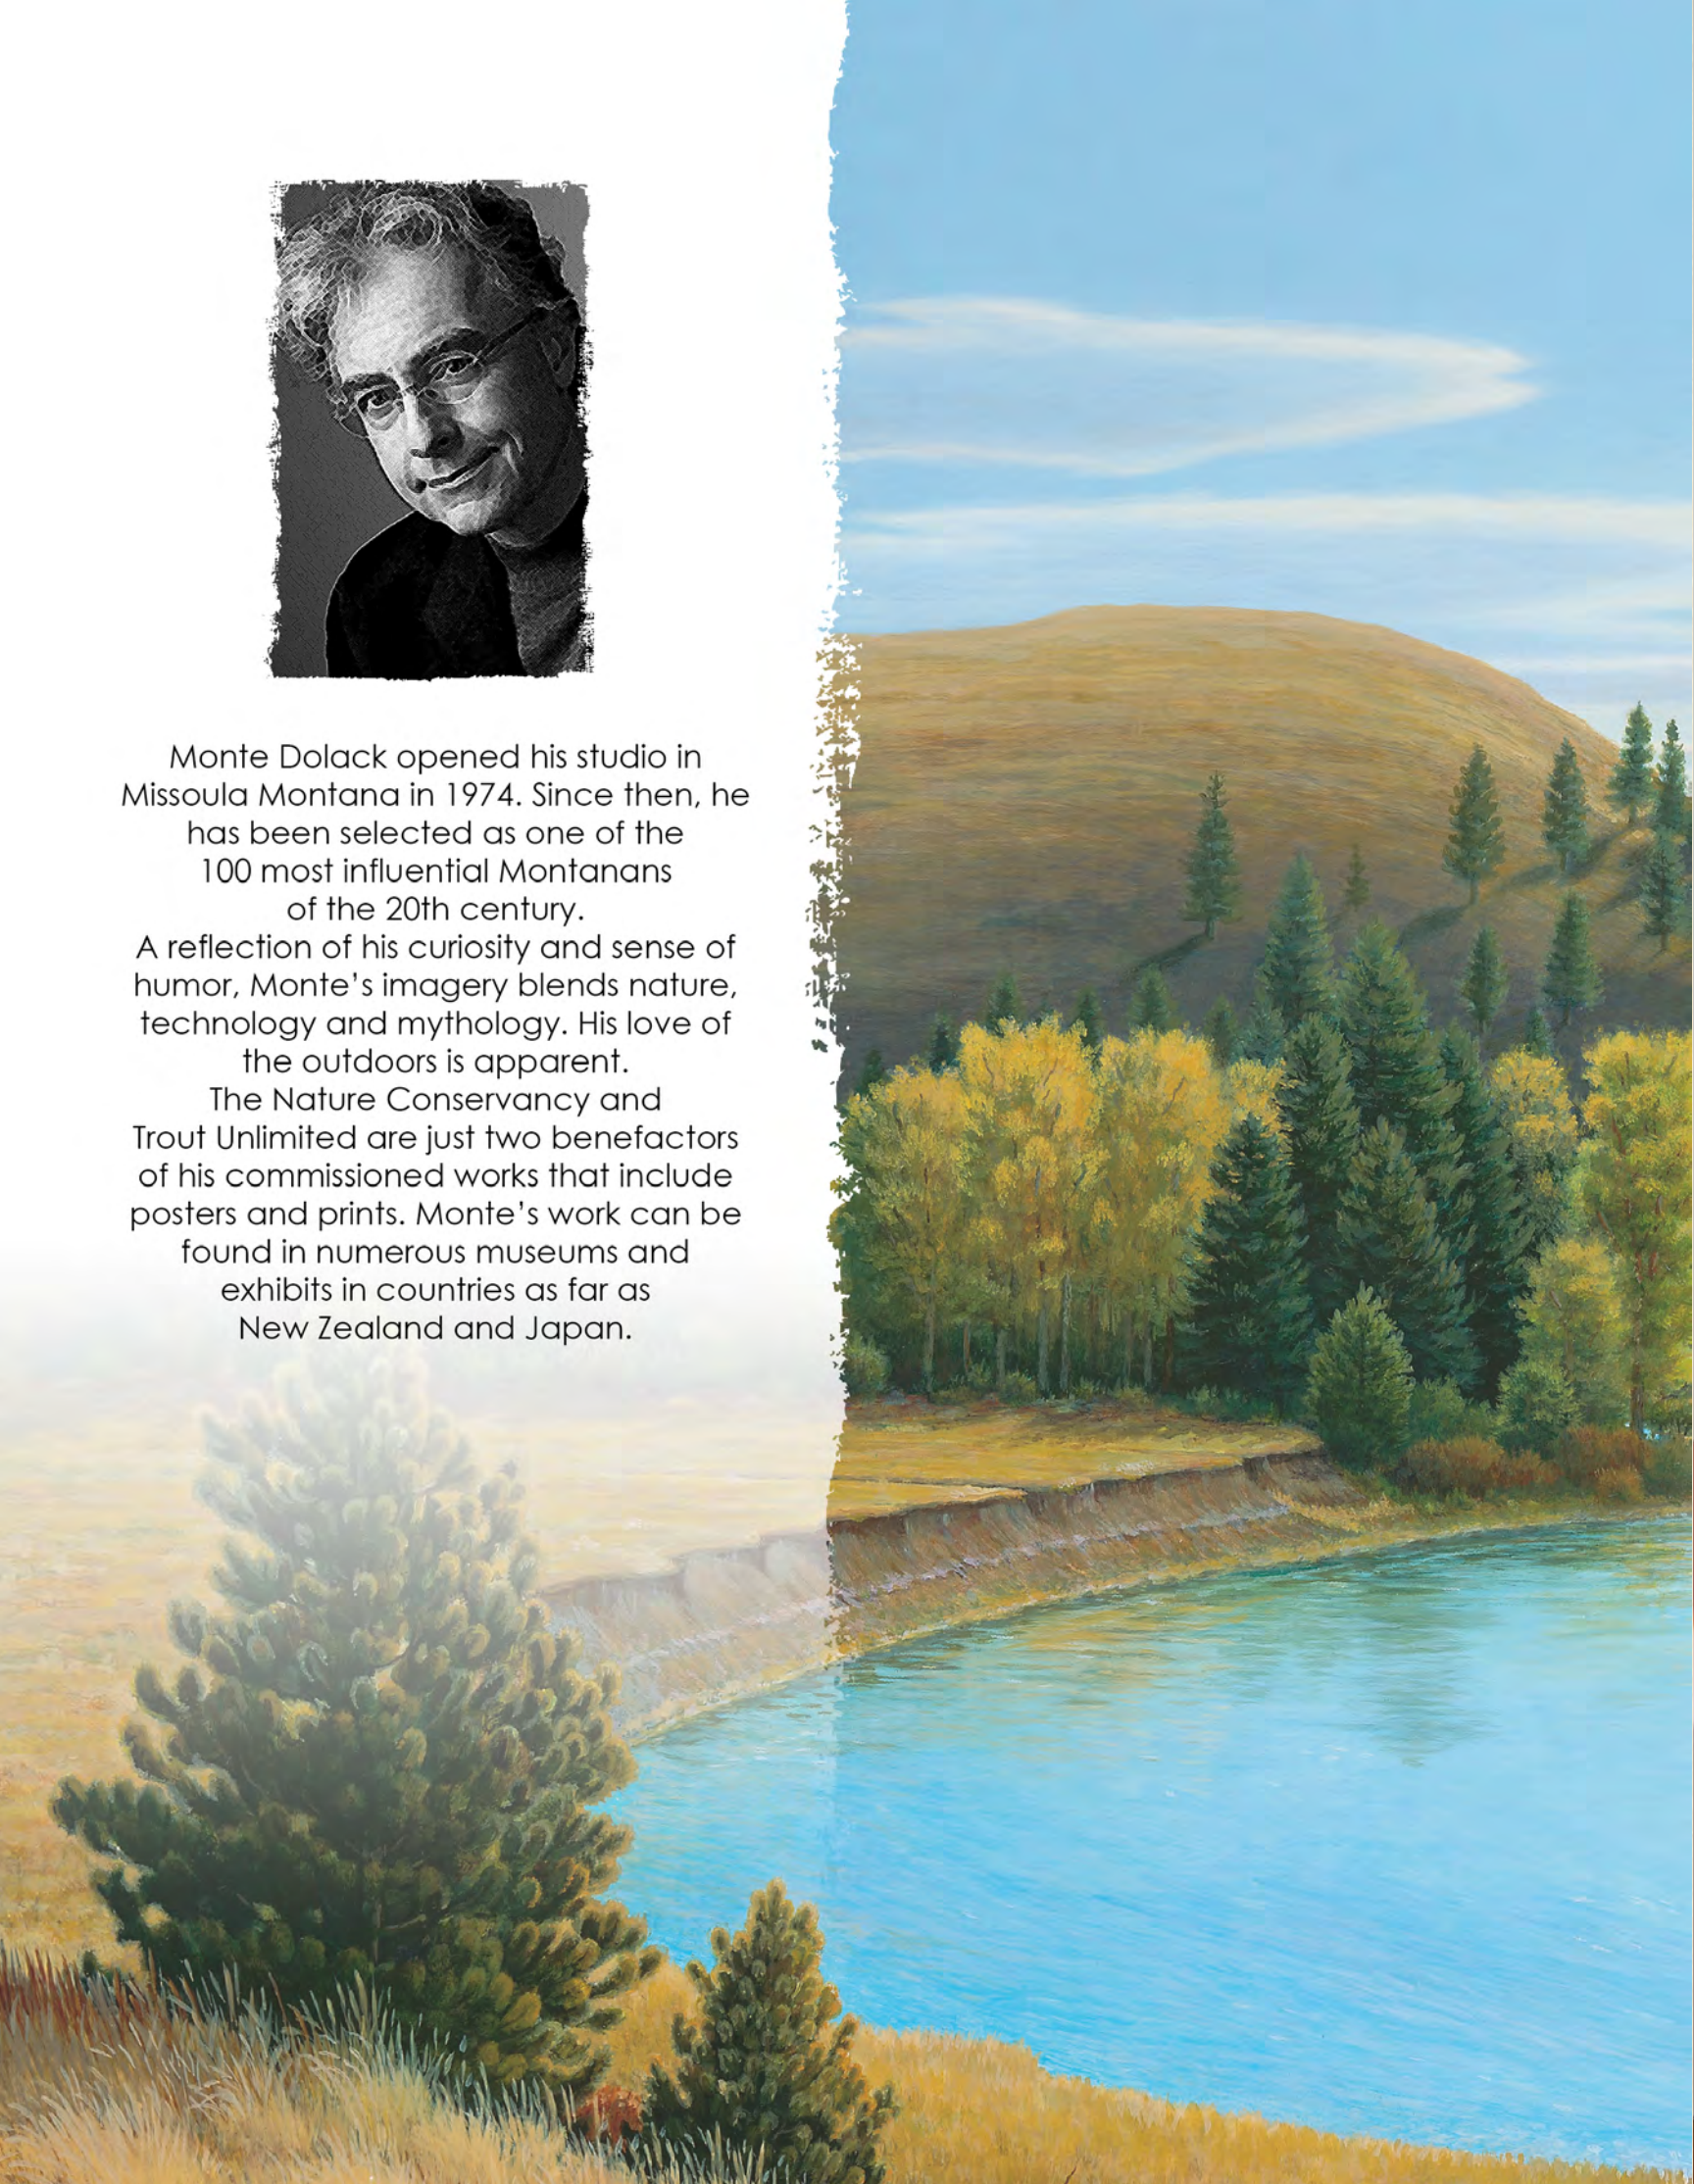

Monte Dolack opened his studio in Missoula Montana in 1974. Since then, he has been selected as one of the 100 most influential Montanans of the 20th century.

A reflection of his curiosity and sense of humor, Monte's imagery blends nature, technology and mythology. His love of the outdoors is apparent.

The Nature Conservancy and Trout Unlimited are just two benefactors of his commissioned works that include posters and prints. Monte's work can be found in numerous museums and exhibits in countries as far as New Zealand and Japan.

Please note that catalog colors may not be precise representations of actual product colors due to variation in printing process, inks and substrate.
